WALLY RANGE			
WALLY KERELA		A real statement piece the Kerela can be water proofed to use as a water feature, planted with a simple plant scheme or even left empty as a garden feature.	870mm dia x 610mm (H)
WALLY TANGIER		The Tangier urn has a very distinctive shape so it needs to be positioned somewhere where it can be a focal point. The limestone finish gives it an aged appearance so it works perfectly in a traditional format garden.	800mm dia x 720mm (H)
WALLY LUCA		Reminiscent of an old church bell the Luca pot is the largest of the urns so needs somewhere with plenty of space. It can be used as a stand alone piece or as a water feature.	1020mm dia x 640mm (H)
